

# COFFEE ON SUNDAYS

The Newsletter for Heather Hiestand, Eilis Flynn, and Anh Leod  
DECEMBER 2009

**Happy December!** We took a few months off as we watched all the changes occurring in the publishing world. Wow, what a wild ride it's been! One good bit of news is that our books have become more widely available at Internet booksellers, though it always benefits reader and author alike if you purchase books directly from Jasmine-Jade. Anh has finally gone to print as "Lucky Number Seven" has been released in the *Even*

*Naughtier Nuptials* anthology. This is her personal bestseller, so check out this highly rated story in print if you haven't seen it electronically. Right now, the anthology is on sale, but who knows how long the sale will last! If you'd prefer to buy the download version of the original novella, the price has dropped there too, so either way you are getting a deal! Anh's first novella, the Victorian fantasy "Aphrodite's Necklace," is currently on sale along with all the historical fiction at Ellora's Cave. Check out the site for a different sale each month!

Autumn has been a season of tough publishing decisions for Anh, Eilis, and Heather alike. Anh is back in the saddle with a new editor at Ellora's Cave, Eilis is sending out proposals, and Heather is on hiatus. The industry is changing fast and we all hope to make the right decisions for our careers. Anh is pleased to announce that the latest installment in the Men of Myth series, *Holly's Pledge*, will be coming out sometime in 2010!

We have more planned for 2010, so keep your eyes open for more news from us! And wish us luck, because we'll need it!

Also, please consider buying books as holiday gifts. In these days of worrying about H1N1 flu, don't forget that electronic books never have germs on them — they are always a sanitary choice!

Dara is a fairy and she doesn't like it. But what's a girl to do when she's the fifth daughter of the fifth generation? The fifth daughter is always a fairy. Dara uses magic to hide her nature while she lives as a human but one thing is sure to blow her cover. Sex — hot, out-of-control sex. On the eve of her wedding to the most boring human she could find, another man, the Prince of Fairy, arrives intent on two things - making Dara reveal her wings and claiming her as his very own — by whatever means necessary.

- *Bridesmaid and the Beast* by Marianne LaCroix  
*A companion story to Beast in My Bed.*

It's been eight blissful months since Sophia Monroe, Luckiest Woman in the World, found Greg, her British hunk of burning love. But just when she thought life couldn't be sweeter, both of them were tapped to be in a coworker's wedding, which got her thinking - why hasn't Greg mentioned the M word? She's trying to be patient...really! If she has anything to say about it, Greg will be popping more than champagne corks before this wedding is through.

- *Seducing the Enemy* by Anna J. Evans

Astrid of the Artuan tribe will liberate her people from exile on the harsh jungle planet of Tiber...even if it means kidnapping a prince. Prince Jorunn's father ordered all the males of her clan killed fifteen years ago to secure his throne. Forcing the prince to perform the handfasting ceremony that will make her his queen seems a small sin in comparison.
